01 COLLABORATION AND STRATEGIC DISCUSSIONS

📍 Component 1 Office, Quetta

📅 3rd June 2025

Two important meetings chaired by Mr. Asfandiar Khan, Project Director, IFRAP:

- ◆ Meeting 1: A detailed session with technical experts to review the progress on Feasibility Studies under IFRAP — a critical step towards building resilient infrastructure and informed implementation across flood-affected areas.
- ◆ Meeting 2: A strategic dialogue with Mr. Asif Sherazi, CEO Islamic Relief Pakistan and his team, to review the ongoing progress of the housing reconstruction and restoration efforts.

02 IFRAP COMPONENT 1 (COMMUNITY INFRASTRUCTURE REHABILITATION) QUETTA

PIU–Component 1 under IFRAP successfully conducted two kick-off meetings with our newly engaged partners:

- ✓ M/s Cameos Architects & Consultants – Irrigation Sub-Component
- ✓ M/s Zeerak International – Roads Sub-Component

Discussions focused on:

- ◆ Introduction of technical teams
- ◆ Work plan development and design timelines
- ◆ Inception reporting and deliverables
- ◆ Coordination mechanisms and field planning
- ◆ Alignment with M&E frameworks

IFRAP is now featured on the Ministry of Planning, Development & Special Initiatives (MoPD&SI) website!

03 RUINS TO RESILIENCE

PICTURES OF SUCCESS FROM THE FIELD

These images capture the resilience of communities in Balochistan, where once flood-ruined lands now stand strong, completed homes. Each house tells a story of determination, supported by the unwavering commitment of the Government of Pakistan, MoPD&SI IFRAP, and our dedicated partners on the ground.
